 Department of Transportation — Federal Aviation Administration
Supplemental Type Certificate

Number SA1552NM

This certificate, issued to Univair Aircraft Corporation
 Route 3, Box 59
 Aurora, Colorado 80011

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulations.

Original Product — Type Certificate Number: A767

Make: Univair (Stinson)

Model: 108-3

Description of Type Design Change:

Installation of Lycoming IO-360 (200 HP) engine, Hartzell Constant Speed Propeller HC-C2YK/7666, and associated changes in accordance with Univair Aircraft Corp. Drawing List No. 108U9001045, dated 2/18/83, as revised.

Limitations and Conditions:

This approval should not be extended to other aircraft of these models on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any other previously approved modifications will introduce no adverse effect upon the airworthiness of the aircraft. FAA approved Aircraft Flight Manual Supplement, dated May 13, 1983 or later revision is required.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: January 7, 1982

Date reissued:

Date of issuance: May 13, 1983

Date amended:

By direction of the Administrator
